NEVER OUT OF STOCK

SPRING/SUMMER 2022

Dieses Lagerprogramm ist für unsere Fachhandelspartner bestimmt, die auch bereit sind, eine Vororder zu erteilen. Bestellungen, die bis 13 Uhr bei uns eingehen, versenden wir noch am selben Tag. Helfen Sie Kosten sparen! Bei Bestellungen ab 10 Teilen entfällt für Sie der Mindermengenzuschlag von 10 % des Auftragswertes.

This stock programme has been designed for our specialised trade partners who are prepared to place pre-orders, too. Orders received until 13.00 hours we will dispatch the same day. Please never order less than ten items to avoid charges for minimum quantities of 10 % of the order.

NEW
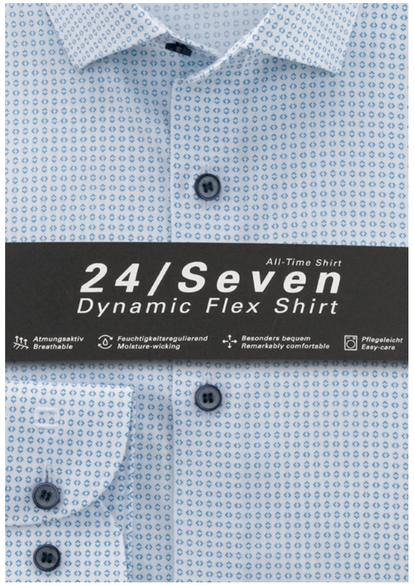
SPRING/SUMMER 2022



GREEN CHOICE

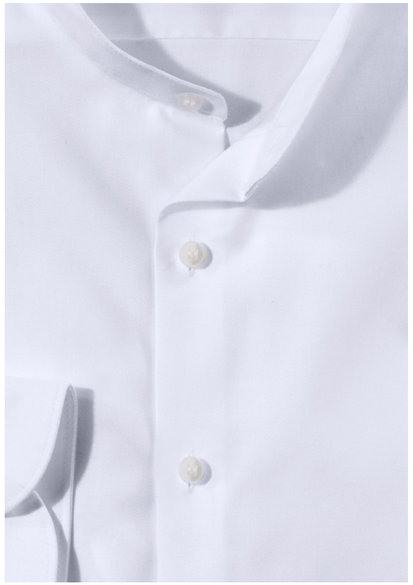
Zahlreiche Artikel der Kollektion sind aus zertifizierten Rohstoffen und umweltschonend gefertigt – und im NOS mit dem GREEN CHOICE Label gekennzeichnet.

Many items in the collection are made from certified raw materials and produced in an environmentally friendly way – and are marked with the GREEN CHOICE label in the NOS.

24/SEVEN DYNAMIC FLEX SHIRT

Das innovative Shirt aus TENCEL™ Lyocell und Nylon, mit einzigartigen Produktfeatures. Bequem, atmungsaktiv, feuchtigkeitsregulierend. Die perfekte Kombination von Style und Komfort.

The innovative shirt made of TENCEL™ Lyocell and nylon, with unique product features. Comfortable, breathable and moisture-wicking. The perfect combination of style and comfort.



24/SEVEN DYNAMIC FLEX JERSEY

Weicher, sehr elastischer und atmungsaktiver Jersey, der Körpergeruch absorbiert, schnell trocknet und leicht zu bügeln ist. So bequem wie ein T-Shirt, so stilvoll wie ein Hemd.

Soft, highly stretchable and breathable fabric, which absorbs body odour, dries quickly and is easy to iron. As comfortable as a T-shirt and as stylish as a shirt.

TWILL MIT ERHÖHTER BLICKDICHTE / TWILL WITH INCREASED OPACITY

Das feine Gewebe mit seiner charakteristischen Diagonalstruktur ist überaus angenehm auf der Haut, besonders weich im Griff und bügelfrei. Bei OLYMP sorgt eine dichtere Gewebeeinstellung für erhöhte Blickdichte.

This delicate fabric with its characteristic diagonal pattern is extremely pleasant on the skin, particularly soft to the touch and non-iron. At OLYMP, a denser fabric setting ensures increased opacity.

SO VERWENDEN SIE DAS NEUE OLYMP NOS-PROGRAMM

OLYMP präsentiert das NOS-Programm der Saison Frühjahr/Sommer 2022 erstmals in seiner neuen Form. Es besteht aus zwei Büchern, die getrennt sind und doch zusammengehören.

Links das Produktbuch, in dem Sie gerade lesen: Hier sind alle relevanten Informationen rund um jeden Artikel ausführlich und mit zahlreichen wertvollen Produktdetails enthalten. Rechts das Stoffbuch: Dort finden Sie das dazugehörige Materialmuster, das Ihnen ein Gefühl für Struktur, Griff und Oberfläche des Stoffs gibt. Vom Produktbuch ausgehend, vermitteln Ihnen hier zusätzlich zur Artikelbeschreibung die Farbfelder, in welchen Farben und Musterungen der Artikel erhältlich ist – neben der Ausführung, die Sie in der Produktabbildung sehen. Suchen Sie das entsprechende Muster im Stoffbuch, welches Sie spiegelbildlich zum Produktbuch bis zur relevanten Seite blättern, gehen Sie einfach von den ersten vier Ziffern der Artikelnummer aus. Um Ihnen die Zuordnung noch einfacher zu machen, steht diese vierstellige Nummer stets prominent rechts oben auf der Artikelseite im Produktbuch. Für einen noch besseren Überblick zeigt die Produktfotografie immer dieselbe Farbe wie das dazugehörige Stoffmuster. Eine erste Orientierung geben Ihnen auch die Register an den gegenüberliegenden Seiten der Bücher. Möchten Sie umgekehrt vorgehen, also vom Stoffmuster zur Artikelbeschreibung, so sagen Ihnen die Seitenzahlen am jeweiligen Muster, wo Sie den Artikel im Produktbuch finden.

HOW YOU SHOULD USE THE NEW OLYMP NOS PROGRAMME

OLYMP presents – for the first time in its new form – its NOS programme for the Spring/Summer 2022 season. It consists of two books that are separate, yet belong together.

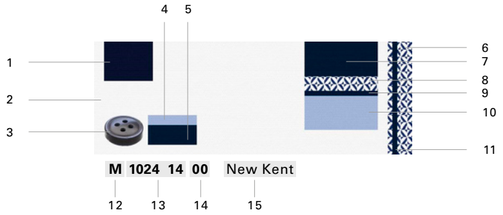
On the left is the product book you're currently reading: it contains all relevant information regarding each item, including numerous valuable product details. On the right, the sample book: there you'll find the corresponding material sample, which will give you an indication of the fabric's texture, feel and surface. Beginning with the product book, here the colour fields tell you – in addition to the item description – in which colours and patterns the item is available. As well, in the product image you can see its design. To find the corresponding pattern in the sample book, which you flip to the relevant page in mirror image of the product book, simply start from the first four digits of the item number. To make the correlation even easier for you, this four-digit number is always prominently displayed at the top right of the item page in the product book. For an even better overview, the product photograph always shows the same colour as the corresponding fabric sample. The indexes on the opposite pages of the books also give you some initial orientation. If you'd like to proceed the other way round, i.e. from the fabric sample to the item description, the page numbers on the respective sample will tell you where to find the item in the product book.

DAS FARBFELD

Auf den ersten Blick sehen Sie Farbe und Musterung der jeweiligen Artikelvariante. Den Abbildungen liegen entweder Materialscans oder mithilfe von Computer-Aided Design (CAD) generierte Renderings zugrunde, die das Original realitätsgetreu wiedergeben. Darüber hinaus zeigt Ihnen das Farbfeld die Ausführung aller Produktdetails vom Knopf bis zur Innenpasse.

THE COLOUR FIELD

You can see the colour and pattern of the respective item variant straightaway. The illustrations are based on either material scans or renderings generated with the aid of computer-aided design (CAD), which faithfully reproduce the original. In addition, the colour field shows you the design of all product details from the button to the inside yoke.



1 Unteretikett/-label in Kontrast / Sublabel in contrast

2 Hauptgewebe / Main fabric

3 Knopf / Button

4 Innenmanschette komplett in Kontrastgewebe / Inner cuff completely in contrast fabric

LUXOR · 24/SEVEN
MODERN FIT

Weicher, sehr elastischer und atmungsaktiver Jersey, der Körpergeruch absorbiert, schnell trocknet und leicht zu bügeln ist.
So bequem wie ein T-Shirt, so stilvoll wie ein Hemd. Umwelt- und klimafreundlich durch wassersparende und CO^2-emissionsarme Rohstofferzeugung.

Soft, highly stretchable and breathable fabric, which absorbs body odour, dries quickly and is easy to iron.
As comfortable as a T-shirt and as stylish as a shirt. Environmentally and climate-friendly thanks to water-saving, low-carbon raw material production.

BODY FIT

V 2020 84 11

Weicher, sehr elastischer und atmungsaktiver Jersey, der Körpergeruch absorbiert, schnell trocknet und leicht zu bügeln ist.
So bequem wie ein T-Shirt, so stilvoll wie ein Hemd. Umwelt- und klimafreundlich durch wassersparende und CO^2-emissionsarme Rohstofferzeugung.

Soft, highly stretchable and breathable fabric, which absorbs body odour, dries quickly and is easy to iron.
As comfortable as a T-shirt and as stylish as a shirt. Environmentally and climate-friendly thanks to water-saving, low-carbon raw material production.

SUPER SLIM

V 2501 74 18

Weicher, sehr elastischer und atmungsaktiver Jersey, der Körpergeruch absorbiert, schnell trocknet und leicht zu bügeln ist.
So bequem wie ein T-Shirt, so stilvoll wie ein Hemd. Umwelt- und klimafreundlich durch wassersparende und CO^2-emissionsarme Rohstofferzeugung.

Soft, highly stretchable and breathable fabric, which absorbs body odour, dries quickly and is easy to iron.
As comfortable as a T-shirt and as stylish as a shirt. Environmentally and climate-friendly thanks to water-saving, low-carbon raw material production.

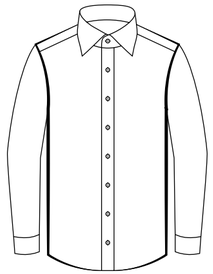
SCHNITTFORMEN / SHAPE CUTS

OLYMP LUXOR

comfort fit

Die klassisch bequeme Passform zeichnet sich durch eine sehr komfortable Schnittführung aus.

This classic comfortable fit is characterised by a very comfortable cut.

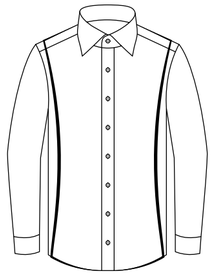


OLYMP LUXOR

modern fit

Die modisch zeitgemäße Schnittform mit ihrer leichten Taillierung einer schmalen Silhouette.

This fashionably contemporary cut with its gentle tapering corresponds to a slim silhouette.

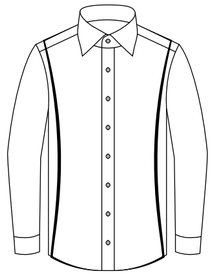


OLYMP TENDENZ

modern fit

Die modisch zeitgemäße Schnittform mit ihrer leichten Taillierung einer schmalen Silhouette.

This fashionably contemporary cut with its gentle tapering corresponds to a slim silhouette.

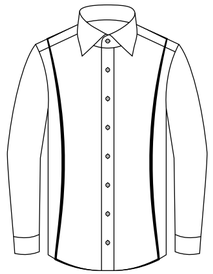


OLYMP LEVEL 5 FIVE

body fit

Die körpernahe taillierte Passform für schlanke und modebewusste Personen. Zwei Abnäher im Rücken garantieren einen figurbetonten Sitz.

The body-hugging, tapered fit for slim and fashion-conscious people. Two tucks in the back guarantee a figure-hugging fit.



OLYMP Nº 6 six

super slim

Der stark taillierte, körpernahe Schnitt für athletische Proportionen. Aus Comfort-Stretch-Gewebe für uneingeschränkt hohen Tragekomfort.

The close-fitting, heavily tapered cut for those with the proportions of an athlete. Made from comfort stretch fabric for excellent, unrestricted wearing comfort.
